VIRGINIA MICROELECTRONICS CONSORTIUM (VMEC) 2018 SCHOLAR INTERNSHIP PROGRAM

Undergraduate Summer Scholars Exchange Program

Virginia’s best summer research program in microelectronics

May – August, 2018

VMEC has rapidly growing research and education opportunities in the field of microelectronics. If you are currently a junior or senior in a 4-year degree program at a university in Virginia, if you are a student at a community college in Virginia that has already been accepted to one of the participating 4-yr engineering schools, you are eligible to join us for a summer internship that will give you a hands-on, state-of-the-art research experience. The VMEC internship provides excellent technical knowledge as well as industrial and academic contacts for your career development.

Financial Benefits
• $725 stipend per week for 12 or 13 weeks

Academic Benefits
• Research experience
• Guidance of mentor
• Hands on experience

Internship Requirements
• Must attend June kick-off meeting and give introductory oral report
• Must work 12 or 13 weeks on project at location other than home school
• Must attend the August scholar presentation meeting and give an oral report or poster.

Application Process
• VMEC Application is at vmecc-scholars.org.
• Email all application materials to vmecc.scholars@gmail.com (PDF or Word) (email references directly to vmecc.scholars@gmail.com from sender’s original email address).

Application Information:
• Strong preference is given to candidates with a 3.0 GPA or better.
• Letter of recommendation required (from a technical mentor or professor is preferred).
• Final Decision: All candidates will be notified of final decisions by December 22, 2017.

Participating Internship Locations:
• BAE Systems
• George Mason University
• Micron Technology
• William and Mary
• Norfolk State University
• Old Dominion University
• University of Virginia
• Virginia Commonwealth University
• Virginia Tech
